NOTICE CAMP KANKANHALLI.

The public are hereby informed that the grass grown in the catchment area of Sankey's Reservoir will be sold by public auction on the 7th March 1913 at 8 A.M., near the Reservoir in presence of the Range Officer, Headquarter Range, Bangalore, or the undersigned.

The right of cutting and removing will last up to the 30th June 1913.

Half the amount of the bid should be paid immediately and the balance before the 15th March 1913, failing which, it will be resold and any loss arising from so doing, will be recovered from the defaulting purchasers deposit.

J. E. A. D'CRUZ,
Executive Engineer.

OFFICE OF CHIEF ELECTRICAL ENGINEER, BANGALORE.

Abstract Notification, dated 19th February 1913.

It is hereby notified that sealed tenders will be received at the Office of the Chief Electrical Engineer to the Government of Mysore, Bangalore, up to 6th March 1913, for constructing a Car-barn (Tram Car house) in Bangalore.

For further particulars, *vide* page 281 of Part II of the *Mysore Gazette*, dated 20th February 1913.

Notice is hereby given that sealed tenders will be received at the office of the Chief Electrical Engineer, to the Government of Mysore up to 24th March 1913, for collecting about 15,000 c. yds. of broken granite. An approximate estimate of quantities is given below. This quantity is not guaranteed. The supply should commence by about 15th May 1913 and be completed by the end of August 1913.

2. Tenders should be submitted on printed forms which may be obtained from the Chief Electrical Engineer.

3. Each tender must be accompanied by a deposit of Rs. 300 in cash or Government promissory notes, as earnest money, and be superscribed "Tender for collecting broken granite for Bangalore Electric Tramways" in default of which, tenders will be rejected.

4. The final acceptance of any tender will rest with the Public Works Secretary, who does not bind himself to accept the lowest or any tender or to assign any reason whatever for the rejection of any tender.

5. Within eight days of the acceptance of the tender, the successful competitor will be required to execute the usual contract bond; in default of which, his tender will be considered cancelled, and his earnest money will be forfeited.

6. The name of the successful competitor, whose tender has been accepted, will be posted on the notice board in the Chief Electrical Engineer's office in due course. No enquiries regarding the acceptence or rejection of a tender will receive any reply.

7. On acceptance of one of the tenders, the earnest money on rejected tenders will be returned.

8. The broken granite must pass through a 2" ring and should be delivered in stacks along the Electric Tramway route at sites to be pointed out.

C. F. BEAMES,
Chief Electrical Engineer to the Government of Mysore.
